Collection Description

Scope and content note

The compiler of this autograph book is unknown. There are 244 signatures that were gathered it appears in the 1867-1868 time period. Dating was determined by noting a few signatures that included a date. With each name is a state and because the name of Schuyler Colfax, Speaker of the House of Representatives, appears it is presumed the names included are United States congressional figures of the time.

A few signatures also have the district name included. Each page usually has three signatures and most all pages in the book contain names. The title page reads Autographs, J.B. Lippincott & Co., Philadelphia. Significant names to this area include: Grenville Dodge, Council Bluffs, Iowa; Edmund Ross and S.C. Pomeroy of Kansas; Charles D. Drake of Missouri, and James Harlan of Iowa.
